August 25, 2020

Dear Armada Area School Families,

To keep our families informed, we are sharing the following information. This afternoon, we learned that one of our early elementary teachers tested positive for COVID-19. This teacher will remain home in isolation for at least 10 days from the time symptoms first appeared. In addition, we have completed contact tracing and no other staff members are affected.

I have worked closely with the Macomb County Health Department and the district is following their guidelines and protocol. The guidelines require an individual that is exposed (less than six feet for greater than 15 minutes) to a person with COVID-19 to self-quarantine at home for 14 days. Fortunately, no one fell into this category.

If you have any questions, ideas, or concerns, my door is open. I can be reached via email at mmusary@armadaschools.org. Please stay safe.

Sincerely,

Michael G. Musary, Ed.S.
Superintendent of Schools
