January 22, 2021

Dear Armada Area School Families,

To keep our families informed, we are sharing the following information. We had one high school student test positive for COVID-19 this week. Seven students will have to self-quarantine for 10 days due to our current case.

We have worked closely with the Macomb County Health Department (MCHD) and the district is following their **new** guidelines and protocols. The guidelines recommend an individual that is exposed (less than six feet for greater than 15 minutes in a 24-hour period) to a person with COVID-19 to self-quarantine at home for 10 days. In this specific case, the students will be able to return January 26th as long as they do not have any COVID-19 symptoms.

If you have any questions, ideas, or concerns, my door is open. I can be reached via email at mmusary@armadaschools.org . Please stay safe.

Sincerely,

Michael A. Musary

Michael G. Musary, Ed.S.
