

## **Michelle Genereaux**

My name is Michelle Genereaux and I am starting my sixth year of teaching in Armada. I will be teaching the 7<sup>th</sup> grade math for the middle school academy, a middle school enrichment, and the high school Emergency Medical Technician (EMT) class. I also work part-time as a Paramedic for Richmond Lenox EMS where I have worked for approximately ten years.

I obtained my Bachelor of Science in Biology from the University of Detroit Mercy, my teaching certification from Oakland University, and I am almost complete with my master's degree from Jones International University.

I have lived in the surrounding area my entire life. I grew up on a farm in Richmond Township with my parents and my eight siblings. I currently reside in Lenox Township with my husband, Matt, and my two children, Maddisyn (2 years) and Matthew Jr. (3 months). In my free-time I enjoy riding four-wheelers, bow hunting, and mountain biking. I used to race four-wheelers; however, I recently had to trade my MX race quad in for a double stroller!

I am very excited with this opportunity to teach in the academy. Please do not hesitate to contact me with any questions or concerns.
