

Make Armada your “School of Choice” District for the 2012-2013 School Year!

[Armada Area Schools](#) will be accepting Schools of Choice applications for the 2012-2013 school year. There is no fee for enrollment under this program. Once your child is enrolled in Armada under our Schools of Choice program, he/she may continue to attend Armada schools until graduation without annual approval.

In addition to the Schools of Choice application, we request parents to fill out a release form for disciplinary records from your current school district. We reserve the right to deny admission based on past suspensions/expulsions.

Transportation is the responsibility of the parent however we will make every effort to transport your child from a designated bus stop within the district boundaries.

In accordance with the rules of the Michigan High School Athletic Association, all non-resident pupils (including “Schools of Choice” pupils) are ineligible for interscholastic athletics for one full semester.
