Upcoming Event(s)

- Juniors: Today is the M-STEP Classroom Activity in Math! Your math teachers will be doing this exercise for tomorrow's Math Performance Task. Note that the testing group sessions tomorrow shift from Tuesday with Group 2 testing first, then 3, then 1 in the afternoon. See the green and red sheets for clarification
- Armada High School will have visitors next week from the Advanced-Ed accreditation program. This is a process for our school to review its practices and enhance our school improvement program. Five educators will visit our school district from Woodhaven, Flushing, Milan, along with Indiana and Virginia. They will be passing through classrooms to see our school in action and conduct meetings to learn more about our school. These visitors may even strike up conversations with students to learn about their experiences here at Armada. We will be stressing the Armada Advantage: Achievement, Community, and Innovation!
- A reminder that the next NHS meeting is next Wednesday, April 29th before school or Thursday, April 30th after school. Also, please turn in all hours to Carly Zebelian as soon as possible. Thank you!
- 2nd trimester art students need to pick up their personal art supplies from the art room by Friday, 4/24/15. Come in before/after school.
- Attention HOSA members. If you signed up to help with the Prom at the Village, there will be a very short meeting after school on Thursday in the cafeteria. We need all permission slips to attend turned in at that time. Much help is needed for this event to be a success!! This will be our last HOSA community service project for the year!
- HOSA Seniors: If you would like to purchase HOSA Cords for graduation, please see Mahfet or MCCollom to check your eligibility and turn in your $7 cord fee.
- PTI Engineered Plastics, a high tech manufacturing firm in Macomb Twp., is offering an awesome opportunity for a limited number of students in grades 10-12, beginning next fall. It is the PTI Technical Academy. The Fall 2015 session runs on Saturday mornings from 8-11am, beginning October 10 and concluding on December 9, 2015. PTI professionals will teach academy students about careers in manufacturing and plastic injection molding, part design, mold design, CAD, mold making, CNC programming, electrical discharge machining (EDM), mold maintenance and process engineering. It is a hands-on class and FREE to all students. They only requirement is that they are able to commit to attending each of the 9-week sessions.
- Bagels are back!!! Stop by Mr. Woznicki's room every Wednesday with $1 and grab yourself a bagel for breakfast!!
- Are you interested in exploring the world? Seeing ancient civilizations? Any current students who are interested in travelling next summer to Peru in South America and seeing the ancient ruins of the Incans, there will be an informational meeting in Mr. Hundey's room Friday after school to discuss some of the details, pricing. Grab a friend and come see what this incredible adventure is all about!
- Prom tickets are on sale all this week during lunch. The theme is Roaring 20s and the Great Gatsby! The tickets are $70 and include dinner, dance, 2 photobooths, a professional photo, unlimited chocolate fountain and candy, a smoothie and coffee bar and an amazing time! Buying your tickets early will gain you free entry to a special showing of Great Gatsby TONIGHT in the auditorium to get everyone ready for the prom fashions.

- Dressbarn is hiring sales associates!! They are located at The Waterside Marketplace 50439 Waterside Drive Chesterfield. They are holding open interviews April 21, 22, 23, from 11 am till 8 pm. If you cannot make those dates or have any questions, check with the counseling office for a name and number to call. www.dressbarn.com/careers
- DID YOU KNOW? Over 75% of waste is recyclable, but we only recycle about 30% of it. Americans make more than 200 million tons of garbage each year, thats enough to fill Comerica Park from top to bottom twice a day. Earth Day is this week so do your part to help. Reduce, reuse, recycle and Rethink the waste that you produce. Also remember that returnable cans and bottles are being collected in the lunch room all week to raise funds for the recycling program. There will be bins in the lunch room for each grade level. They will e collecting all week and the grade with the most raised will receive a pizza lunch. So gather those bottles and cans and bring them in starting Monday!!! They will also be collecting spare change and bottle return slips.
