## Preschool Advanced Learning Program

***A nontraditional preschool program for children who are academically ready for Kindergarten but do not meet the age requirement of being five-years-old by December 1.***

Armada's Preschool Advanced Learning Program uses the same Read Well literacy program that is currently used in Kindergarten, along with the Kindergarten Harcourt Math Series, "hands on" Science and Social Studies, and Handwriting Without Tears writing curriculum.

Each child will be tested at the end of the school year to see if he or she meets Kindergarten exit skills and entry criteria to proceed to first grade.

With a certified teacher and a limit of 12 students per classroom, your child will receive individual attention and learning support to advance early academic skills.

**Monday through Friday**

**8:30 to 11:30 a.m.**

**\$1,400 per school year**

### Program Focus

- Early literacy
- Verbal communication
- Socialization
- Independent learning
- Mathematics
