9:30 am

Graduation 6 pm May 27

Thank you to everyone who has supported our ice cream sales this year. The winners in the Blue Bunny Ice Cream raffles are: Austin Matheny, Eric Suddon, and Tessa Petri. The winners can stop by at lunch to claim their prize.

Attention all students planning to take AP World History next year with Mr. Hundey, starting on Tuesday, you will need to pick up a summer reading assignment from his classroom.

Athletics

Last night the members of the Armada Track Team competed at the Macomb County Track meet. Mitch Kallek became the county champion, taking 1st place in the 300m hurdles. Katelyn Holston received 2nd team small school all county in the discus. Great job athletes!

Congratulations to the Armada High School boy's golf team as they finished in 5th place at the MHSAA District Tournament at Holly Meadows in Capac with a season low score of 339. This qualifies them for the regional state playoffs next week at the Fortress Golf and Country Club in Frankenmuth. Luke Mackley was a 5th place overall medal winner posting a 77 for the tournament. Co-captains Zach Tarakoff had an 82 and David Duncan scored an 84, with Ryan Carlson scoring a 92 and supported by teammate Brett Zebelian. Also, congratulations goes out to golf coach, John King, as he was voted from among the other coaches as Division III Region 30, Coach of the Year! Go Tigers and wish them good luck for next week!

Attention all Track and Field athletes, we will be returning uniforms and completing track cleanup on Wednesday, June 2nd at 2:45. Please meet out at the track with your washed uniforms.

Attention all boys and girls who are interested in running cross country next summer and fall, we will be having a meeting next Thursday, after school in Mr. Hundey's room. Tell your friends, tell your neighbors— come out and experience a great team and family atmosphere. Cross country meeting on Thursday.

Today's Thought Provoking Quote of the Day: "Have a safe and enjoyable weekend!"
