There will be a S.A.D.D. meeting after school on Thursday, May 6th in Mrs. Skokna's room.

The journalism magazines are available in the office, library, and lunchroom.

As we enter prom and graduation season, we are working in conjunction with the Armada Township Fire Department to promote safe celebrations. Today we will be showing a high impact video during 2nd hour to all juniors and seniors in the auditorium. The program should last about 40 minutes. Please wait until an announcement is made to release your students to the auditorium.

Guest teachers please return attendance hourly to the attendance office.

## **Athletics**

The varsity soccer team played another great game last night defeating Almont 1-0. Defenders Alyson Kline, Jeanna Printz, Jesse Loftis, Casey Murray, and Rachel Goubert played well and denied Almont. Laney scored the goal for Armada and Danielle Bechtel got the assist.

The golf team won a tough match against Algonac last night at Rattle Run Golf and Country Club. Low scores for the Tigers were shot by Brett Zebelian, David Duncan, Zach Tarakoff and Luke Mackley. The Tigers are 8-1 in BWAC. The JV golf team travels to Cracklewood tomorrow to play Lutheran North.
