There will be a S.A.D.D. meeting after school on Thursday, May 6th in Mrs. Skokna's room.

As part of our ongoing effort to encourage safe decision making during prom and graduation season, today we will have a mock automobile accident on the cafeteria lawn. Our own EMT students will be working in conjunction with Armada Township Fire Department to practice their skills learned in the EMT course. We would like to thank Mrs. Genereaux and ATFD for their time and planning for this great activity. Students are encouraged to head outside during your lunch period to watch the demonstration.

Tiger Pride Rewards will visit Mr. Loveday's 2nd hour this morning. We are looking for a student with no more than one tardy to each class. Do you have what it takes?

There is no school tomorrow due to a teacher in-service.

Prom will take place tomorrow at Palazzo Grande Banquet Center on VanDyke south of 25 Mile Road in Shelby Township. Doors open for the prom at 6:30 pm and dinner is served a little after 7 pm. Please arrive on time so you are settled in and ready for dinner. Please remind your guests from outside Armada to bring identification showing date of birth.
