

Attention Parents:

You are receiving this letter because your child is a member of the class of 2010. I am sure you are already being flooded with brochures talking about senior pictures and it is important for you to know what the Armada High School Yearbook requirements/specifications are.

Portraits must be wallet sized, portrait style (no hands or props) and must be done on a traditional background in a conservative color, preferably blue or gray. Pictures must be high resolution and can be submitted in hard copy or digital format. If your photographer chooses, he/she can e-mail the picture to shuston@armadaschools.org

The deadline for submitting pictures for inclusion in the 2009-2010 Yearbook is November 13th, 2009.

The high school does not endorse one specific photographer, but the following photographers have advertised in the A.H.S. Yearbook, and have experience working with the high school.

Beth Marsack's Photography: 586-630-1317

Making Memories Photos: 586-255-3479 www.makingmemoriesphotos.com

If you are not planning to have a full set of senior pictures taken, please contact studios about rates for just the portrait. Many studios are willing to do a short session to just take the headshot for the book.

If you have any questions, please feel free to contact me at your convenience.

Thank you,
