DRIVING REGULATIONS

The following regulations pertain to students who drive to school. **THEY WILL BE ENFORCED.** Failure on the part of anyone will result in that student being denied the right to drive to school.

1. A student must observe all Michigan traffic laws and commonly accepted rules of courtesy while driving to and from school.
2. A student must not drive his/her car during noon hour or during the regular school day without a request from the parents, authorized and approved by the Principal.
3. There must be no loitering in or use of the car by any student during the school day.
4. Cars are to be parked in a manner that enables every driver to conveniently get their car out, without asking others to move.
5. Each student driver must immediately register their car with the high school office and keep that office informed of any changes in license number, driving status, or change in cars or other vehicles, such as motor scooters, motorbikes, motorcycles, etc...
6. Failure to comply with any or all of the above rules will bring prompt warning to both parents and students. A second offense will mean loss of all driving privileges.
7. Permits are to be hung on the rear view mirror.
8. All students must park in the designated student parking areas **ONLY**.
9. If a permit is lost, a second permit will be issued at a charge of \$1.00.

We, the undersigned, have read the above Driving Regulations, and understand them. We agree to abide with the regulations. We also understand that if the student violates any of the regulations, he/she may lose his/her driving privileges.
