

# Reading Recovery Summer Program

Reading comprehension is an important factor in determining how successful your child will be in school. Armada Middle School is now offering a **summer program** designed to give struggling readers the skills they need to become proficient readers. Reading mastery is essential in today's competitive world. Unfortunately, students who do not read over the summer tend to forget many of the reading strategies that they worked on during the previous school year.

## **Dates/Time**

- The program will run from June 28th, 2010 through July 29th, 2010.
- Monday-Thursday—8:00 AM-10:00AM
- Cost is \$50.00 per student

In order to give each student individualized instruction, only 20 students will be admitted to this program. Students will be selected on a first come basis.
