January 30, 2020

Dear Armada Area School Parents and Guardians,

The purpose of this letter is to provide you with information about a social media situation that has occurred in our district. One of our staff members had been receiving harassing messages that turned into threatening messages via a social media platform created by a fake account. The Macomb County Sheriff’s Office (MCSO) was contacted about the situation. The MCSO investigated the matter and identified the person responsible for sending the communications as a current student from Armada Middle School. The middle school student involved has been removed from campus.

I have said this before, we take school safety very seriously and we will do everything possible to keep our schools safe. At no time during this situation were any of our students in danger. The district and the legal authorities will work through this matter. We will continue to communicate information on these situations as the facts warrant.

If you have any questions, ideas, or concerns, my door is always open.

Sincerely,

Michael G. Musary, Ed.S.
Superintendent of Schools
