Dear Armada Area School Families,

This evening, we received reports of a threatening TikTok circulating that referenced AMS.

We immediately contacted Michigan State Police (MSP) and turned the information over to them. MSP is working jointly with the FBI. At this time, they are not able to determine the origin of the threat. Law enforcement is continuing to work on this and needs additional time to determine if this is a credible or noncredible threat. As a result, out of an abundance of caution and for the safety of our students and staff, we will be closed tomorrow, September 13, 2024.

Our school safety team will continue to work with all law enforcement partners. If you have any questions, concerns, or ideas, my door is always open. I can be reached via email at mmusary@armadaschools.org.

Sincerely,

Michael G. Musary, Ed.S.
Superintendent of Schools
