P-EBT Student Exception Announcement Activities

For months that a school reported primarily in-person, a parent/guardian has the option to request an individual review of their student's circumstances. This process is called a reconsideration.

Example - Building began the 2020/2021 school year on Sept 8 with fully in-person learning. With news of COVID 19 cases increasing, one student opted to learn fully remote beginning Sept 16:

- Building reports primarily in-person modality for September

Important information for parents or guardians of student's eligible for Free and Reduced Lunch at <insert name of school>.

What is the Pandemic-EBT Program?

The Pandemic-EBT (P-EBT) Program gives food benefits to families with children who were not able to get free or reduced-price school meals due to COVID. You may hear about this benefit from other schools or in the media.

Who is eligible?

Being eligible for this program will depend on what school your student attends. Eligibility for the Pandemic-EBT (P-EBT) Program can be different between schools within the same district.

What makes a school eligible for P-EBT?

A school building is eligible only if the building has had 5 school days in a row of reduced in-person hours due to COVID.

What could make my student eligible for P-EBT?

- 1) If the school they attend is eligible for P-EBT and
- 2) If your student normally gets free and reduced meals at school and
- 3) If your student is not getting instruction in-person for some or all the month.

The Michigan Department of Health and Human Services (MDHHS) issues P-EBT benefits based on:

- How each school building reports their eligibility
- How most of the students attend school during the month

There may be months when your student's attendance was different from what the school reported. In that case, you may be able to have your student's benefit level reconsidered. Your request to be reconsidered must be submitted by June 30, 2021. In the month(s) below your school reported primarily in-person. Your student(s) may be P-EBT eligible if they attended class on-line, for some time or all the time in the following month(s): **September 2020 January 2021**

For more information, visit Michigan.gov/PEBT or call 1-833-905-0028.

Note: Notice is only sent to parent/guardian once for each issuance period. Specific months the student can request reconsideration will be at the bottom of the notice.

Guiding parents/guardians

When should a parent or guardian request reconsideration?

If they have a free/reduced lunch student who attended class partially or fully virtual in a month shown on their notice

What information will a parent or guardian need from the school?

A parent or guardian will need to provide proof that shows how their student received instruction for the month(s) on the notice. We call this a proof document. It will need to contain the following information:

- Student's name
- The month(s) for which the parent is requesting a reconsideration
- A statement about how the student received instruction for that month
- Name of the school employee filling out the document
- The school employee's title, e-mail, and telephone number
 - Can be completed by teacher, aide, secretary, counselor

Where can a parent or guardian find the form for a reconsideration?

The reconsideration form is at www.michigan.gov/pebt

MDHHS / ASSISTANCE PROGRAMS / FOOD ASSISTANCE / PANDEMIC-EBT

Pandemic-EBT (P-EBT)

P-EBT provides supplemental food assistance benefits to students who have temporarily lost access to free or reduced-price school meals due to the COVID-19 pandemic. The goal of the program is to make sure no child goes hungry by missing out on school meals.

The Michigan Department of Health and Human Services (MDHHS) and Michigan Department of Education (MDE) partnered during the 2019-2020 school year to provide these critical benefits to over 900,000 students. We are excited to be partnering again for the 2020-2021 school year to provide these benefits to students to help reduce food insecurity.
